Swish and a flick

At the touch of a button, your machine can *almost* sew by itself. Janome quilting range is packed full of clever features to give you a smooth, spell-binding sewing experience.

Horizon MC9480QCP \$699

Hobbysew Price!

With 4 x Janome A.S.R. feet including rulerwork foot. Features floating mode to assist with sewing curves and over fabric bulk.

Horizon MC9410QC \$499

Hobbysew Price!

HD colour touch screen, pivot function, Sewing Applications "how-to" menu for sewing, quilting and optional accessories.

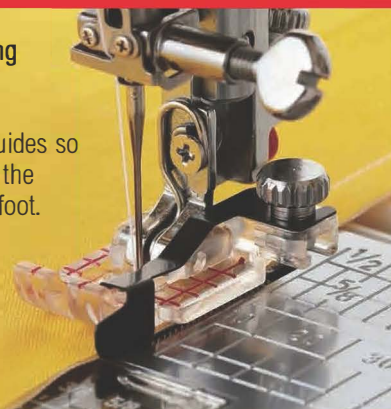

Horizon MC8200QCP \$299

Hobbysew Price!

Removable AcuFeed system ensures smooth, even feeding of both top and bottom fabrics. 9mm stitches and 10 direct stitch keys.

Clear View Quilting Foot & Guide Set

A clear foot with guides so you can easily see the fabric through the foot. Great for piecing triangle squares or stitching a perfect corner.

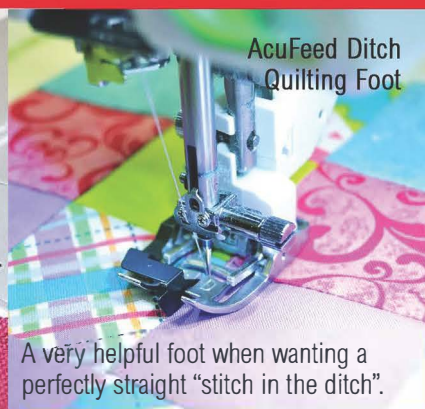

Professional HP Foot & HP Needle Plate

A combination of a professional slim foot & special matching needle plate for high speed straight stitching.

AcuFeed Ditch Quilting Foot

A very helpful foot when wanting a perfectly straight "stitch in the ditch".

Prices valid until 31/10/2025 or while stocks last. Limited stock on some items. Participating retailers only.
